# NOTICE!

To all contractors with open excavation permits in Lake County:

On October 1, no new excavations will be allowed. Also, all open excavations need to be in the process of backfilling and asphalt replacement operations. All roads will be sealed for snow plowing operations by the County. All excavations need to be inspected and approved by Lake County.

The only excavations that will be allowed between October 1 and May 1 will be emergency excavations as determined by Lake County Public Works.
