**(Leadville, Colo, April 2, 2020)** – Third Confirmed Lake County COVID-19 case

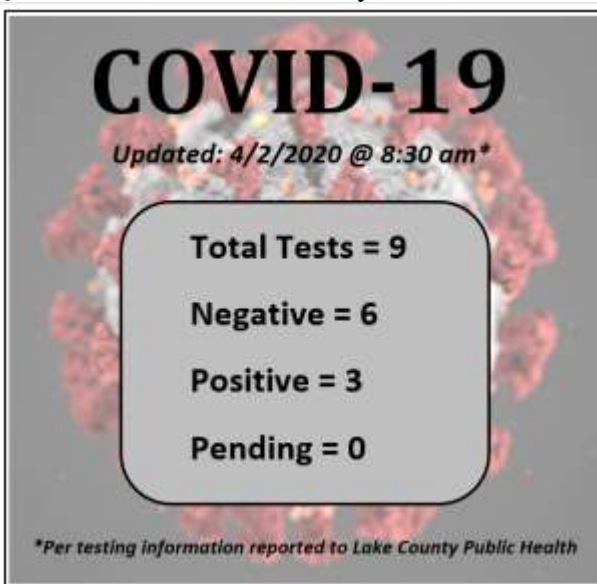

Lake County Public Health Agency (LCPHA) is reporting the third positive case of COVID-19 (Corona Virus) in our county.

The patient is a 54 year-old-male from Lake County likely exposed through community transmission. Public Health is investigating.

Lake County Public Health has launched a symptom tracker to see if people are experiencing symptoms of COVID 19 and where in our County that might be occurring. This will help us align response resources in Lake County and evaluate our strategies in place to decrease the spread of illness. Link to the form in English and Spanish:
